

Championship Performance.

Your Mustang deserves nothing less than world-class suspension.

How good are Eibach springs, *Multi-Pro-R2* coil-overs and other vital suspension components? Well, think of it this way: In 2006, Eibach-equipped race cars captured Drivers' Championships in Formula 1, NASCAR Nextel Cup, Champ Car, the IRL and the World Rally Championship—just to name a few.

The Eibach parts we make to give your Mustang its winning edge are made with the same top-quality materials, painstaking craftsmanship, and bulletproof durability that took all those drivers to victory. To learn more—visit Eibach.com and take a high-speed tour inside Eibach USA.
