

Eibach® SPRINGS

Championship Performance.

Your Mustang deserves nothing less than world-class suspension.

How good are Eibach springs, **Multi-Pro-R2** coil-overs and other vital suspension components? Well, think of it this way: Year after year, Eibach-equipped race cars capture Championships in NASCAR Nextel Cup, Champ Car, IRL and the World Rally Championship—just to name a few. The Eibach parts we make to give your Mustang its winning edge are made with the same top-quality materials, painstaking craftsmanship, and bulletproof durability that took all those drivers to victory.
